

FUEL SCHOOL WITH WHOLE GRAINS

At Kellanova, our goal is to equip you with the best products and resources possible for your continued success — that means constantly evolving to stay on top of the latest in science and regulations. It's all part of our ongoing commitment to K-12 compliance, effective nutrition, and whole-grain greatness. Let's dig in!

WHOLE GRAINS FOR GROWING MINDS

Nutrition experts are reinforcing the power and importance of grains.

Did you know....

Grains are important sources of many nutrients, including complex carbohydrates, fiber, B-vitamins and certain minerals.¹

Whole and enriched grains contain carbohydrates - the "go-to" fuel for the body!¹

Grains can be combined with other plant foods like nuts and legumes to make complete proteins.²

DELICIOUS AND COMPLIANT

We offer a variety of CN labeled veggie-forward and meat analog items, both vegan and vegetarian, that are a good source of high-quality protein.

- Our Whole Grain Breaded Chik'n Nuggets and Whole Grain Breaded Chik'n Patties offer 1 oz. equivalent grain per serving
- Our reformulated Grillers Prime Veggie Burgers, Italian Sausage Style Veggie Crumbles, and Veggie Buffalo Wings help operators NOW meet the USDA School Meals Rule³ sodium provision
- All of our vegan items contain soy protein — a complete plant-based protein, containing all nine of the essential amino acids in the recommended amounts

**COMING
IN SY27-28:**

MorningStar Farms® Veggie Buffalo Wings
with 1oz. equivalent grain per serving!

PLANET-POSITIVE MEATLESS MEALS

Today's students are committed to making a difference for the environment with ecologically sound choices. That includes choosing *MorningStar Farms®* vegetarian and vegan options.

We worked with climate experts to study the environmental impact of swapping out meat for *MorningStar Farms®* plant-based and vegetarian products.

The results uncovered measurable benefits like:

33% FEWER GREENHOUSE GAS EMISSIONS⁴

73% LESS LAND USAGE⁴

86% LESS WATER USAGE⁴
