

Meets USDA
Standards for SY27-28!

A+ NUTRITION TO FUEL STUDENT SUCCESS

Kellanova delivers whole grain-rich foods made for schools, meeting today's USDA standards – and evolving to meet and exceed tomorrow's – so K-12 operators can menu trusted favorites with confidence.

DID YOU KNOW?

Grains are important sources of many nutrients, including complex carbohydrates, fiber, B-vitamins and certain minerals.*

NUTRITIOUS & DELICIOUS

Our *Pop-Tarts*® portfolio already checks numerous nutritional boxes:

- At least 10g of whole grain per serving
- At least 3g of dietary fiber per serving
- Good source of 7 essential vitamins & minerals
- No high fructose corn syrup

STAYING AHEAD OF THE CURVE

And it keeps getting better! We're reformulating our *Pop-Tarts*® to meet USDA's July 2027 added sugar limits and evolving state policies:

- ≤ 12g added sugar per serving (1 ct. packs)
- Only colors from natural sources across all flavors within SY26-27, like the rest of our K-12 offerings
