Pop-Tarts® Toaster Pastries are fully baked and ready to eat.

They can also be heated in a toaster or microwave for a crisp,
warm crust. If serving warmed, please follow the instructions below.

### **Toasting Instructions\***

- 1. Remove product from pouch.
- 2. Warm pastry at lowest or lightest setting for one heating cycle only.
- 3. Cool briefly before handling or serving.

#### **Microwave Instructions\***

- 1. Remove product from pouch.
- 2. Place on a microwave-safe tray.
- **3.** Microwave on High setting for 3-5 seconds.
- Cool briefly before handling or serving.

\*Appliance capabilities vary; follow manufacturer guidelines for safe use. Be sure your appliance is clean and functioning correctly. Due to possible risk of fire, never leave your appliance unattended while in use. Caution: If pastry is overheated, frosting/filling can become extremely hot and could cause burns. Times given are approximate.
