

LET'S PLAY the MEMORY CARD GAME!

1. Cut out each square and mix them up.
2. Place all cards upside down in rows.
3. Each player takes a turn flipping over two cards. If the two cards match, the player keeps the cards.
If they don't match, flip them back over in the same spot.
4. The game ends when all the cards are matched.
5. The player with the most pairs wins!

TIP: Watch other players closely to remember where the cards are.
