

# The classic treat they love to eat!

Kellogg's® Graham Crackers are made with simple ingredients and packed with whole grains to keep kids fueled and focused. Available in Original and Honey flavors, their lightly sweet taste and crunchy texture is a big hit with students.

Graham Crackers are the most popular cracker type in K-12, growing by 4.7% in the last 12 months<sup>1</sup>

Kellogg's® Honey Grahams 3ct. is the #1 Graham Cracker in K-12<sup>2</sup>

Use the individually wrapped packages on tray lines, a la carte, and for grab-and-go snack occasions. These versatile grahams are also the perfect base for parfaits and other menu options across breakfast and lunch, so get creative!
